Parent Meetings

Fall classes start Tuesday, September 6th! We are excited to see all of our returning dancers and many new faces as well! To get the year started off right, we will have a meeting for the parents the first 15 minutes of class for all combo and creative movement classes. We will go over policies and procedures for the beginning of the year as well as what to expect throughout the year. Check our website for a quick reference guide. We are looking forward to a great year!

Dress Code

It's exciting to shop for dance gear when you are starting a new dance class. Make sure that you know what you need before heading out to the dance shop. [Click here](#) to see our studio's dress code. Please note that advanced tap classes will need black Bloch Respect (or similar style) tap shoes. [Dance Etc.](#) in Raleigh is the closest dance shop. See the website for other links to online retailers and local shops.

Trial Classes

The Dance Attic offers a variety of dance styles for all ages. We want you to try new things and see if you like other dance styles. Maybe you know that you would like to take Combo plus one extra class, but you aren't sure which class you would like. For the month of September you may take any extra classes that you would like to try. You can choose from Hip Hop, Lyrical, Acro, Technique, and much more! These should be added to your class schedule and **you will pay tuition for them in September**. At the end of the month, decide which ones you would like to keep. We will adjust your schedule and tuition for any classes that you drop. **You will receive a credit for September for any extra trial classes that you drop.** (This credit does not apply to core classes.) You will only pay for the classes you keep so try everything! You may discover a new favorite dance style!

Schedules/Changes

You will be receiving an email with your personal class schedule before classes start. We would like for you to look it over and make sure that everything is correct. If you would like to try any classes in September, go ahead and add those to your schedule as well. If there are any changes to be made, just respond to the email with changes and we'll get that fixed. You will receive a final schedule and tuition total before classes start.

We are busy working out the kinks in our weekly schedule for fall. We have already made some changes due to enrollment. Some classes have been combined and others have been created. A new fall schedule will be posted in the studio lobby and on our website when it is available. Thank you for your understanding and patience as we make adjustments to give our dancers the best learning experience possible.

We would like to see more 3 and 4 year olds so tell your friends about us! Remember, you get a \$15 credit for referrals so get out there and tell people about the Dance Attic!

Tuition

Tuition is due on the 1st of each month and is late after the 7th. You will receive an email before classes start with a detailed class schedule and tuition total. In September we will collect tuition for September and 1/2 for June. For example if your regular monthly tuition is \$100, then you will pay \$100 for September and \$50 for June for a total of \$150. This makes it easier for everyone at the end of the year! You may pay your tuition with cash or check at the studio. If you pay with cash, put it in an envelope and write on the outside the dancer's name and the amount enclosed. If you pay with a check no envelope is needed, simply write the dancer's name in the memo line. Both of these should be placed in the locked drop box in the lobby. Another way to ensure that your tuition is paid in a timely manner is to set up a bill payment through your financial institution. Your bank would send the payment to TDA for you! If your tuition is not paid, we will be employing a collection agency to collect the payments. We regret that we have to do this, but we have had a high volume of unpaid and extremely late tuition payments in the past. We want everyone to be able to dance, but in the end this is a business with expenses of its own that rely on your tuition to be paid! Thanks for your understanding and attention to this matter!

Drop Off/Pick Up

Our first priority at the Dance Attic is the safety and well being of the children. With this in mind we have a few procedures that we would like for parents to follow to ensure that our children stay safe. When dropping your children off for dance class (this applies to summer class as well) please remember that an adult should come in with children who are under the age of 10. Children ages 10 and up may be dropped off in front of the studio at the walkway between the bushes. Please do not leave any children unattended in the lobby. (This applies to siblings and friends as well.) If a child is not in class they must be with an adult. Also, please come inside to pick up your child after class. TDA staff will not allow children under the age of 10 to come out of the building without an adult. Children ages 10 and up may wait under the cover and use the walkway to leave. Thank you for your help!

Vote

Each year the Wake Weekly gives the community the opportunity to vote for their favorite restaurants, shops, activities, and much more. The winners are honored at a banquet and given the title the Best of the Best. We are asking everyone to vote! Use the link to go to the ballot and submit your votes for your favorite restaurants, shops, and most importantly dance studio! [Click here](#) to get started and remember to put the Dance Attic as the best dance studio. Voting ends soon so don't wait! Make sure to get your vote in today!

Master Class Sign-up

We are excited to be able to offer several different types of master classes throughout the year. It is very important that you sign up in advance for these classes. Dancers who sign up and pay for classes by the posted deadline will receive a discounted rate for the class. The rate will go up for those who wait until the day of the class. Also, you will not be guaranteed a spot in the class if you wait. These classes fill up and we want to limit class size to make sure that everyone is getting quality instruction.

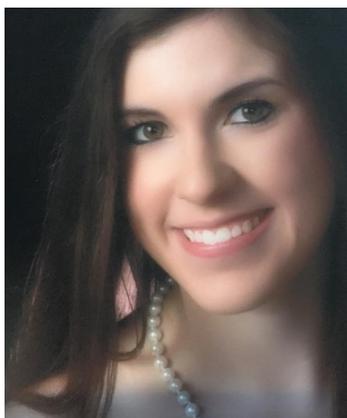

The procedure for all master classes will be as follows: Put your name on the sign up sheet in the lobby by the posted deadline. Place a check in the lock box with "master class" in the memo line for the posted discounted rate for the class. (All dancers who sign up will be expected to pay for the class even if you do not attend. Any who sign up and don't pay will receive a charge on your next statement.) If you wait until after the deadline the rate will go up and you will not be guaranteed a spot in the class.

Summer Master Class Series

The Dance Attic is pleased to offer classes in three styles of dance in our summer master class series! The classes are on Fridays and cost \$10 each if paid before the class date. To participate, sign up in the lobby and put your payment in the lock box. Go ahead and make payment because the cost becomes \$15 the day of the class. All master classes will follow the following schedule according to your 2016-17 class placements:

4:45-5:30 Combo 1-6
5:30-6:30 Combo 7-10
6:30-7:30 Groups A-C
