## Just a Note...

Wow! It is already April! It is hard to believe that this dance year will be ending in just a couple of months! Competition was fantastic and now we are looking forward to recital. Keep up the hard work and remember that it is important to be in class every week. Please be sure to call or email the studio if you are going to be absent. We will still be working hard on technique as well as all of our routines to make them even better!

## Registration

Registration time will be here before you know it! We want you to go ahead and be thinking of what you would like to take next year. Current students may register for summer and fall classes for 2018-2019 the week of May 14-17. You will receive a discounted registration fee if you register during this week. Registration will be open to the public the week of May 21-24. This will also be bring-a-friend week. You will receive \$15 off of your September tuition for each friend that you bring that registers for classes! For example, if you bring two friends and they both register, you will get \$30 off of your September tuition! Go ahead and start thinking about who you would like to bring!

We are very excited about our summer intensive schedule! We are working on it and will get it out to you as soon as it is available

## Dancer of the Month

Each month we will be choosing four dancers from all age groups to be the Dancers of the Month. These dancers are chosen based on their attitude and effort. These students have shown their instructors that they are hard workers with a good positive attitude.

Each Dancer of the Month will get a sign to display in their front yard stating that they are the Dance Attic's dancer of the month. You will be able to keep the sign for one month so that all of your neighbors can see it! This is great recognition for our dancers as well as getting the word out about our studio! They will also be featured on our Facebook page! Be sure to tag your dancers so all of your friends and family can see!

You will receive your sign the first week of the month and return it the last week of the month. When you return your sign you will receive \$10 off your next month's tuition!

Congratulations to our March recipients! We are so proud of you!

# Recital Rehearsals

The week before the recital we will do a full run through of each show in our regular dance clothes at the studio. You will not come to your regular classes that week, only the specified day for your show. On Friday, June 8th we will have a full dress rehearsal (costume, hair, make-up) at Wakefield High School. You should arrive for this rehearsal ready for the stage in your first costume. All other costumes should be packed in a basket or bin in the order that they are needed. Younger dancers will be assigned an older dancer to help them dress at the rehearsal and recital. For both of these rehearsals, you may leave as soon as you are finished with all of your dances. # Star Talent Dance Competition

The Dance Attic took 53 routines to the Star Talent dance competition in Louisburg March 9th-11th. All of the dancers looked amazing and the Dance Attic received outstanding awards.

This competition offered three levels of competition. Excel for dancers who dance less than 3 hours per week, Extreme for dancers who dance a little more each week, and Elite for dancers who are in the studio many hours each week. The routines are judged accordingly. Most studios take only their company or competition team to dance competitions, but we at the Dance Attic feel that it is a fun and rewarding experience for all of our dancers. This was a first time experience for many of our dancers! Please keep this in mind when you think of all of the other routines that you saw at the competition.

Many Dance Attic routines placed in the top ten overall highest scores for their division, including 16 first place overall high scores! Star Talent gives an award in each competition level (Excel, Extreme, Elite) to the highest scoring routine in the 12 and under division and the 13 and over division. Seven routines received the Highest Score of the competition for their age division and level!

At the conclusion of the competition Judges Choice Awards are given to highlight routines that were particularly special to them. Three routines from the Dance Attic received one of these special awards. In addition, "Winter Song" choreographed by Hallie Hoy and "The Beat" choreographed by Alyssa Hogan and Rachel Gentry both received Best Choreography awards.

Many scholarships to various experiences across the country were given throughout the weekend. Morgan Barnette, one of our soloists, received a \$1000 scholarship to experience the Rockettes and the NYC Thanksgiving Day parade! What an awesome opportunity!

All dancers who participated should have received their awards in class. If you did not receive your award, please see your dance instructor.

We are very proud of all of our dancers. You looked amazing and you also had great attitudes! Thanks for representing our studio well! Don't forget to look for an article in the Wake Weekly about our accomplishments! You can also see pictures on our Facebook page!

# Company Information

If you really love to dance and would like to be even more involved, we would like to invite you to audition for our company. Company is for those dancers who would like to make dance their primary extracurricular activity and are willing to devote more time. It is similar to being on a select sports team. You can expect more practice time, more performances, more competitions, and more FUN!

Company members have the opportunity to participate in dance at a different level. You must be in company to be able to do an invitational piece. Dancers in invitational pieces are eligible to do a solo, duet, or trio. The company also has the opportunity to perform around the community and in additional dance competitions. Company members are also required to take summer classes and maintain good attendance to classes throughout the year. It is a big commitment, but also very rewarding!

Auditions will be held the week of June 18-20 (Monday-Wednesday). Those who would like to audition will come to the intensive and learn a short dance combination that week. On Wednesday the 20th you will perform the combination in small groups for a panel of judges. If you would like to audition, but are unable to be there that week, you will need to schedule a make-up audition.

There will be a poster in the lobby with sheets to put your name, age at the time of auditions, and school grade. There is a \$25 audition fee and you must pay for summer classes and registration. We are looking forward to next year and have many great plans already. We hope you will join us! Look for more information in next month's newsletter.
