Hello TDA Dancer and Families,

If you have been selected as an award collector for one of the invites for the 2019-20 season. This means that while all students will attend award ceremonies, your dancer is expected and required to be at all award ceremonies for the assigned routine. You and your dancer will also be in charge of bringing home any award that the dance receives to your own home after competition and bring them back to the studio in the next week either for display at the studio (trophies/plaques etc.) or for distribution (medals, pins, ribbons etc.) to each dancer in that routine. Thanks
